Attentes générales (Classroom Expectations)

Lates

Please arrive to class *on time*, with the necessary materials, with **completed homework** and with a **positive attitude**. If tardiness happens frequently (3 lates), your guardians will be notified.

Absences

If you miss a class, all homework is expected to be completed by checking Mme. Neff's website, and by asking peers and Mme Neff what you missed. It is **your** responsibility to consult the website and/or arrange a meeting with Mme Neff as soon as possible. If you know of an upcoming absence, it is **your** responsibility to obtain the homework prior to that absence.

Materials

You must bring required materials to class every day. It is imperative that you **keep** class notes, handouts, and other course materials organized and in order. At the end of the year, you will be expected to write a final exam based on all the information covered in French 9; it will be very difficult to prepare for this exam if you do not have all of the documents from the year.

Conduct

It is expected that you participate in all class discussions and activities. It is also important to regularly review course material in order to prepare for activities, quizzes, and exams. Extra help is always available. Should you require or wish to have further explanations, a meeting during lunch can be arranged. Please self-advocate.

PLEASE NOTE : The use of electronic devices (cell phones, iPods, etc.) in the classroom is **NOT** allowed. If you require an electronic device for an activity, Mme Neff will tell you in advance.

Assignment Policy

One of the most important things you can do to maximize your chances of success is to develop good work habits. You will have homework most nights, but the course is designed so that a significant portion of your work can be completed in class. Therefore, it is expected that **you will make the most of the time you are given.**

Please respect all given due dates. This course covers a fair amount of material and builds skills sequentially. While I will accept late assignments, any assignment submitted after the due date will affect the participation and work habit marks.

Students who submit plagiarized assignments will receive a mark of zero, their parents will be contacted, and they will be referred to administration.

Communication

If you have any questions or concerns, I will be available through email at tneff@detltasd.bc.ca

If you would like to submit any assignments electronically, you may do so at tneff@detltasd.bc.ca

Bonne chance!
