Le passé composé

Goal: The purpose of this assignment is to use the *past* tense and learned vocabulary to express ideas relating to sports.

Divide a poster paper into eight squares. In each square, write a sentence in the past tense (*le passé composé*) by conjugating a verb and using new vocabulary. Then, draw a picture to demonstrate understanding of your sentence.

- Each square should contain a different subject AND a different verb.
*[Two verbs must be **irregular** and you must use at least one ER, one IR, and one RE verb]*
- Each square should contain different vocabulary words.
- The pictures can either be of people performing the action, or a symbol to represent the activity.
- Include a title in French.
